### **World Champion Choir Brings Alive the Music of Michael Jackson and Whitney Houston**

FORT WAYNE, IN -- Fort Wayne's world champion Voices of Unity Youth Choir will pay tribute to legendary singers Michael Jackson and Whitney Houston in two uplifting performances June 29.

The 2 p.m. and 7:30 p.m. "Alive Again" concerts will be presented at the Arts United Center, 303 E. Main St.

They will feature some of the region's top guest singers, dancers and musicians and a choir of young contemporary singers who won gold medals at the world championship in China in 2010 and were honored again at the 2012 World Choir Games in Cincinnati.

Marshall White, music director and CEO of parent organization Unity Performing Arts Foundation, said the lives and music of Jackson and Houston offer a grand window into the fruits of uncommon talent, perseverance and insight, as well as the struggles to maintain balance in an often-difficult world.

Tickets for each concert are \$16 for adults, \$11 for seniors and students and \$6 for children 12 and younger. They can be purchased at the Artstix Box Office at the Arts United Center or by calling 260-422-4226.

The concert serves as one of Unity's annual fundraisers; proceeds will help support and continue the great work Unity is doing in the community for young people. The concert will also serve as a kick-off fundraiser for the 2014 World Choir Games in Latvia.
